

WRITING ASSIGNMENT 9: READINGS IN COURSE PACKET

Response due: Tuesday

Comment due: Thursday

Choose a quotation or an idea from one of the following readings in the course packet:

Wylter & Hawks, "The Novel"

Sikov, "Mise-en-Scene: Within the Image"

Giannetti, "Mise en Scène"

Write your thoughts about or response to the quotation or idea: you may

- apply the quotation to your experience, which may involve, for instance, books you've read, movies you've watched, plays you've attended, dreams of books, movies or plays you'd like to produce;
- develop the quotation or idea; this response may consist of agreeing with it, disagreeing with it, both agreeing or disagreeing with it, or modifying it;
- illustrate the quotation with one or more specific examples;
- let your imagination go where it will and write about anything that strikes you after reading the quotation or thinking about the idea you selected.

This list is not definitive; you may come up with an approach that I haven't thought of.
